TO FINISH CHARTER WORK AT SPECIAL MEETING TOMORROW

"H. P." to Tell of Hercules Powder Barge Dynamiting

RECALL SAID TO BE ABUSED IS ADJUSTED FOR CHARTER

Believing that the recall is greatly abused when only a small percentage of names are required to oust an official, the board of freeholders last night raised the percentage from fifteen to twenty-five in the new charter.

EMPLOYEES CAN APPEAL. Rather than place full power of hiring and discharging with the new office of mayor the board compromised, giving that official power of suspension pending an appeal to the council. The discharged official will have to be reinstated by the unanimous vote of the council.

BOARD NEARS END. But one more meeting will be required by the members of the board to complete their work with the new charter. A proposal made by Freeholder Vaughn relative to the issuance of warrants by the city auditor was referred to him to arrange in a more satisfactory manner. It is thought that instead of changing to a new system of payments that the one in use at the present time will be retained.

MEETING TOMORROW. The board adjourned to meet tomorrow evening for the completion of its work.

Attorney W. D. Grady of this city has opened offices in Los Angeles.

PILEDRIVERS WORKING FOR U. S. NAVAL BOARD SOUNDING WATER

WORK IS COSTING GOVERNMENT \$500 A DAY AND IS PREPARATORY TO DECISION OF BOARD RELATIVE TO NAVAL BASE SITE ON THE PACIFIC COAST.

Under the direction and auspices of the naval commission of the United States government, a complete and exhaustive geodetic survey of the water area of the Albany bay, for the purpose of determining its assets and requisites for the locating of the proposed \$29,000,000 naval base for the Pacific coast, is being made. The work, which comprehends the gathering of the most thorough data as to the stability of the earth at the bottom of the bay, consistency of the shoal lands, and various other information as to the depths, distances and areas, has been in progress for more than two weeks. It is now nearly finished.

Albany bay is said to take its position as the foremost site for the gigantic naval base, above all the others presented for the consideration of the commission. Careful surveys, having been made of the other proposed sites, including Hunter's point, Richardson's bay near

Belvedere and Yerba Buena island, greatly more attention and funds have been expended upon the Albany site.

Commander A. J. Menocal, civil engineer in the navy department, is the official in charge. Working under his orders are a corp of engineers and a crew of pile drivers. The equipment is the property of Healy-Tibbitts company, and is under the management of George Chalmers, a civil engineer of Berkeley. The cost of the survey to the government for the equipment alone is estimated at \$500 per day.

Between Point Isabelle and Point Fleming, and from a given point toward Yerba Buena island to Brooks island (Sheep's island) thus far soundings have been gained, and estimate stakes driven at forty-two locations. At nearly every point, tube tests have been made of the properties contained in the material of the bottom of the bay.

Grand Jury Makes Erroneous Statement About Record-Herald

At the meeting of the 1916 Loveland grand jury held in Martinez yesterday the following resolutions were passed:

"WHEREAS it has come to the notice of the grand jury of the County of Contra Costa, that during the year 1914, certain newspapers published in the county of Contra Costa have been overcharging the county for the public printing and that Honorable A. B. McKenzie, then district attorney of Contra Costa county,

made a demand upon the several newspapers to return to the county treasurer the several sums of money found to be overcharged by the respective newspapers; and "WHEREAS, that all of said newspapers with the exception of the Record-Herald, published at Richmond, and the Gazette, published at Martinez, in Contra Costa county, returned to the county treasurer the several sums collected by them found by the then district attorney to be overcharges, and;

"WHEREAS, it has come to the notice and attention of this grand jury that the two publishing companies, the Record-Herald Publishing company of Richmond, and the Gazette Publishing company of Martinez, in an action at court refused to return to the county treasurer the amounts alleged to be overcharged and in said action at court, the court sustained a demurrer to the complaint for the collection of the said alleged overcharges upon a technicality; and;

"WHEREAS, that while said newspapers avoided payment on a technicality, the moral obligation still exists. "THEREFORE BE IT RESOLVED, that it is the sense of this grand jury that all county officials or other persons having to do with the giving of public printing or advertising are hereby requested to give no public printing or advertising to said two newspapers until such time as they reimburse the county for the overcharges, or prove to the satisfaction of the public that the amounts they collected were just and not overcharges.

"Richmond Record-Herald, "Richmond, California. "Gentlemen: The above resolution was regularly adopted at a meeting of the grand jury held in Martinez, January 4, 1917.

"GEORGE P. UPHAM, Sec." Before entering into an explanation of the foregoing charges which have been made by this astute body of men, the Record-Herald would respectfully suggest that they inform themselves concerning the facts before making false and erroneous statements.

STEGE RESORT CASE MAY BE TAKEN TO A HIGHER COURT

Branding as erroneous, the decision of Judge A. B. McKenzie, who yesterday found the Panama-Pacific saloon at Stege to have come within the scope of the redlight abatement act, Attorney Wilbur S. Pierce, representing Phillip Pazo and John Saporita, owners of the resort, today stated there was a strong possibility that the matter would be carried to the district court of appeals for a reversal of the judge's opinion.

The opinion of the judge was that "while no acts of prostitution or lewdness were committed directly on the premises, that the nature of the offenses, together with their close relationship to the resort, was such as to warrant them coming within the general scope of the redlight abatement act."

Testimony presented at the trial recently showed the resort to have been patronized at various times by women of the underworld.

The case was prosecuted in a vigorous manner by Attorney Alvin Gerlach, representing the Law Enforcement League. He was assisted by Rev. S. K. Skinner, who aided in gathering much damaging evidence against the resort.

The complaint was sworn to by E. E. Thayer of Stege.

PRISON BARS BRING LOCAL MAN DIVORCE

(Special to Record-Herald) MARTINEZ, Jan. 5.—Judge R. H. Latimer today granted an interlocutory divorce to John H. Hine from Mary E. Hine. The defendant is said to be serving a term in prison as a result of her conviction of arson. She is further alleged to be a member of the famous Burright arson gang which operated in this and other counties of the state several years ago.

FRACTURED SKULL CAUSE OF DEATH

A fractured skull caused the death of Billy Sanford, whose real name was Ida Cook Katterstardt, according to a coroner's jury last night. The Katterstardt woman succumbed at a local hospital to injuries received in an auto wreck in the outskirts of the city a few weeks ago. The jury was composed of I. L. Dearborn, foreman; J. J. Davis, Robert Pillow, F. G. Moltoza, E. Jenks, L. Oschenrieter and T. J. Caron.

TWO ALARMS ANSWERED BY FIRE DEPARTMENT

Two alarms were responded to by the fire department yesterday. One alarm at Richmond and Alvarado streets on the west side last night was found by Fire Chief Roy LeMoine to have been turned in at box No. 26 by children. The other was a smudge fire from an overturned tar pot on Park place.

Attorney W. S. Robinson of this city was a business visitor at Martinez yesterday.

DIVORCED COUPLE SEEK DIVISION OF \$3000 ESTATE HERE

(Special to Record-Herald)

MARTINEZ, Jan. 5.—Suit to partition certain Richmond property was filed here yesterday by William A. Draper of that city against his wife, Mrs. Maggie Draper. Mrs. Draper was given an interlocutory divorce decree February 20, 1916 on grounds of cruelty. Amongst her allegations she stated that the cause of their separation was because her husband had spoken real cross to her on several occasions.

The property which is contested is valued at \$3000. Of this amount Draper claims \$1250 to be his personal property.

Attorney C. D. Horner, representing Draper, has asked the court to divide the remainder of the estate.

SIGNATURES IN DOUBT; CLERK VERIFYING

City Clerk A. C. Paris went to Martinez this morning to check over the referendum petitions pertaining to the city hall matter with County Clerk J. H. Wells.

Several signatures on the petitions are said to be doubtful, which made it necessary for the city clerk to refer to the registration affidavits on file at the county clerk's office.

PEACE DISTURBER

Frank Long, arrested for disturbing the peace, was given a 90-day suspended sentence by Police Judge Hiram Jacobs this morning, providing he would leave town immediately.

Richmond Count Gives Up Title For Uncle Sam

SAN FRANCISCO, Jan. 5.—Count Henry Helmuth von Adelmann of Stuttgart, Germany, renounced his title and became plain Henry Helmuth von Adelmann of Richmond, Contra Costa county, when he was naturalized in Federal Judge Dooling's court. "I willingly give up my title in order to become an American citizen," said the applicant for naturalization papers. Von Adelmann is foreman in the Santa Fe railroad yards at Richmond.

Official Paper of City of Richmond

NOTICE OF PUBLIC WORK.

NOTICE IS HEREBY GIVEN, That the Council of the City of Richmond on the 26th day of December, 1916, passed Resolution of Intention No. 203 to order the following work to be done in the City of Richmond, County of Contra Costa, State of California, to-wit:

That the public interest and convenience require and that it is the intention of the Council of the City of Richmond, in the County of Contra Costa, State of California, to order the closing up of a portion of Road No. 27, as described in the Final Decree of Partition of the San Pablo Rancho, and as shown on the Map of the San Pablo Rancho, Accompanying and Forming Part of the Final Report of the Referees in Partition, dated September 1, 1893, particularly bounded and described as follows, to-wit:

All of that part of Road No. 27, included between a line drawn at right angles to the center line of said Road No. 27, through a point which is 8.65% E. along the center line of said Road, a distance of 206.77 feet from Station 27-85 of said Road, and a line drawn through Station 27-88 of said Road and bearing S. 62° 45' W.

That the exterior boundaries of the district of lands to be affected by the closing up of a portion of Road No. 27, and to be assessed to pay the damages, costs and expenses thereof, are hereby specified as follows, to-wit: The exterior boundaries of the City of Richmond as they now exist, are hereby adopted as, and shall constitute, and be the boundaries of such district.

That said work or improvement is to be done under an Act of the Legislature of the State of California, entitled "An Act to Provide for Laying out, opening, extending, widening, straightening, or closing up in whole or in part, any street, square, lane, alley, court or place within municipalities, and to condemn and acquire any and all land and property necessary or convenient for that purpose," approved March 6, 1899, and all acts amendatory thereto.

Reference is hereby made to said Resolution of Intention Number 203, now on file in the office of the Clerk of the City of Richmond, for further particulars.

FIG GROWERS OF STATE TO MEET AT FRESNO JAN. 12

To aid in developing the vast possibilities of the fig industry in California the University of California has invited the fig growers of the state to a "Fig Institute" at the Fresno high school on Friday and Saturday, January 12 and 13. The leading fig experts among the growers and state and federal agricultural experimenters will discuss how to improve quality and profits.

On Friday morning, January 12, there will be opening remarks by Professor Warren F. Clarke of the University and Wylie Giffen of the California Associated Raisin company; I. D. Meriwether, of Fresno; and S. Parker Frielle, manager of the Kearney vineyard, the 5400-acre ranch near Fresno bequeathed to the University of California by the late M. Theodore Kearney, will discuss what are the best soils and best sites for fig orchards; Horticultural Commissioner A. E. Beers, of Merced county, will tell how to transplant young fig trees and how to set out and care for a young orchard.

ISSUE COMMEMORATES DEATH OF S. J. FIELD

In commemoration of the hundredth anniversary of the birth of California's greatest jurist, Stephen J. Field, the students of law in the University of California school of jurisprudence, have issued a "Stephen J. Field Centenary" number of their law journal, "The California Law Review." It contains two articles dealing with the life and contributions of this aggressive and militant jurist.

HUMANE OFFICER IS AT STATE CONVENTION

County Humane Officer D. W. Calfee, accompanied by Hutt Brown, a director of the Richmond Humane Society, were delegates in attendance at the annual state convention held at San Francisco yesterday. More than one hundred delegates were in attendance at the convention. Calfee and Brown were the only delegates from Contra Costa county.

Jump from Bed in Morning and Drink Hot Water

Tells why everyone should drink hot water each morning before breakfast.

Why is man and woman, half the time, feeling nervous, despondent, worried; some days headachy, dull and unstrung; some days really incapacitated by illness.

If we all would practice inside-bathing, what a gratifying change would take place. Instead of thousands of half-sick, anaemic-looking souls with pasty, muddy complexions we should see crowds of happy, healthy, rosy-cheeked people everywhere. The reason is that the human system does not rid itself each day of all the waste which it accumulates under our present mode of living. For every ounce of food and drink taken into the system nearly an ounce of waste material must be carried out, else it ferments and forms ptomaine-like poisons which are absorbed into the blood.

Just as necessary as it is to clean the ashes from the furnace each day, before the fire will burn bright and hot, so we must each morning clear the inside organs of the previous day's accumulation of indigestible waste and body toxins. Men and women, whether sick or well, are advised to drink each morning before breakfast, a glass of real hot water with a teaspoonful of limestone phosphate in it, as a harmless means of washing out of the stomach, liver, kidneys and bowels the indigestible material, waste, sour bile and toxins thus cleansing, sweetening and purifying the entire alimentary canal before putting more food into the stomach.

Millions of people who had their turn at constipation, bilious attacks, acid stomach, nervous days and sleepless nights have become real cranks about the morning inside-bath. A quarter pound of limestone phosphate will not cost much at the drug store, but is sufficient to demonstrate to anyone, its cleansing, sweetening and freshening effect upon the system. -Adv.

CAFETERIA IMPRESSIONS GIVEN BY FANNIE WARD, CELEBRATED STAR

"I really think," laughed Fannie Ward, the clever stage and screen star, who will be seen at the Richmond Theater today and tomorrow, in the Lasky production "The Years of the Locust," adapted from the story by Albert Payson Terhune, "that cafeterias are the greatest invention of the age. I am simply mad about them and believe I have been Christopher Columbus for more cafeterias than any person in California. All my friends think I am crazy to run around with a lot of trays and things in my hands, but I love it."

"I discovered the cafeterias in a very strange way. Blanche Ring and I were down town shopping one day and we suddenly discovered that we were hungry; saw a place with a lot of tables in it and said this must be a restaurant. We went in and followed the sign that said 'This Way,' walked way back to the rear of the building and came to a lot of tables filled with all sorts of delicious things to eat. We had a lovely time before we were straightened out, were sent back for trays and made several breaches of 'cafeteria etiquette,' but finally we got through with the assistance of one of the young ladies beside the counter, who helped us take our collection of food to the table. Not thinking anything about it, we each tipped her fifty cents. I noticed she staggered and sort of gasped for breath at the time, but we thought nothing of it, until we came to pay our check, which if I remember rightly amounted to forty-three cents apiece.

DOCKWEILER TO HANDLE WATER FIGHT FOR \$4000

OAKLAND, Jan. 5.—On recommendation of Mayor John L. Davies, City Attorney Paul Morf was instructed by the council this morning to draw up an ordinance making a contract between the city and J. H. Dockweiler, civil engineer, for engineering service to be performed this year in connection with the water rate cases now pending before the railroad commission between the city and the Peoples Water company, or its successors. The services for the year are to be performed for the sum of \$4000. Dockweiler was engaged by the city in a similar capacity during the Contra Costa Water company litigation with the city.

TEACHERS MAY MARRY WITHOUT LOSING JOB

SACRAMENTO, Jan. 5.—Edward Hyatt, state superintendent of public instruction, has ruled that marriage by a teacher during the term for which she is under contract is not an illegal act. His opinion concerning the question was requested by Harry A. Burch, clerk of the Roseville board of school trustees. Burch asked these questions: If a teacher marries during the term for which she is employed, is her contract void? Is it necessary for the name to be changed on the payroll in order to keep the record clear? As marriage is fostered by the laws of the state, Hyatt decided marriage can have no effect upon the school contract. In making payment on salary, he also held that all that is necessary is for the board to see that the right person is paid.

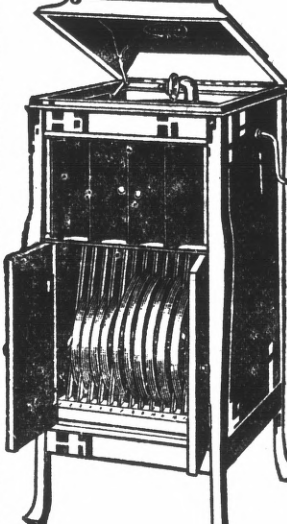

MOONEY'S ARREST IN RICHMOND TO BE AIRED

SAN FRANCISCO, Jan. 5.—While the selection of a jury proceeded today in the trial of Thomas J. Mooney, charged with murder as one of the preparedness parade bomb plotters, a fight between counsel over the admission of evidence on Mooney's previous trials as a dynamiter loomed up as one of the inevitable clashes of the trial.

Three years ago Mooney was arrested in Richmond and tried in Martinez on charges of dynamiting high power towers of the Pacific Gas and Electric company. After two trials in which the juries disagreed the case was dismissed.

District Attorney Charles M. Fitchart will endeavor to bring out these facts at the first opportunity in Mooney's trial.

This will be resisted by W. Bourke Cockran, chief counsel for the defense, and a bitter argument, prolonged by the offering of authorities and legal precedents, is anticipated.

SHE LOOKED NO BETTER THAN YOU DO, BEFORE SHE BOUGHT HER NEW SUIT.

Don't look at other women with envy because they're dressed so much prettier than you are. Instead of envying, visit CHERRY'S CREDIT CLOTHING STORE tomorrow and imitate!

Yes, it's a fact that large numbers of the charming costumes you see on the streets were purchased on installment terms. And especially lately, since CHERRY'S advanced spring styles have arrived.

And remember this: These beautiful suits are in the most desirable and up-to-date styles and materials, and there's not one in the lot that can't be purchased on installments. You should see the beautiful dresses, waists and furs that CHERRY'S are showing.

In Oakland our ladies' store is at 515 Thirteenth street and at 528 Thirteenth street the exclusive men's shop. In San Francisco we have removed from 1009 Market street to the handsome store and very desirable location at 48, 50 and 52 Geary street. Also at 2400 Mission street, corner 20th street.—Adv.

Dated this 5th day of January, 1917. A. C. FARIS, Clerk of the City of Richmond. Jan 5, 12 19

H. P. TO TELL OF HERCULES POWDER BARGE DYNAMITING

(Continued From Page One)

a barge explosion at Seattle in May, 1915, and that he would surrender. The explosion of this barge has been one of the most enigmatical phases of the case. The prosecution has linked it with the activities of C. C. Crowley, consular detective, United States District Attorney John W. Preston having maintained that Crowley was responsible or was nearby at the time of the explosion. The barge was loaded with a shipment for Russia, bound from the Hercules Powder company's plant at Pinole for Vladivostok. Louis J. Smith, Crowley's assistant and chief government witness, helped to load it while employed by the Hercules company, and trailed it to Seattle. The explosion, occurring early on the morning of May 31, 1915, caused \$50,000 damage to Seattle's water front and broke windows a mile away.

SECOND ANNUAL THEATER PARTY PLANNED FEB. 5

TWO TELEPHONE PAY STATIONS AT CITY HALL

For the convenience of city hall employees, Manager George Calvert, of the telephone company, today installed two private telephone booths at the new city hall. One of the booths is on the first floor and another on the second floor of the building. Both of the booths will be pay stations.

GRAND JURY MAKES ERRONEOUS STATEMENT ABOUT RECORD-HERALD

(Continued From Page One)
ous statements. So far as the Record-Herald is concerned there is not a word of truth in the statement sent broadcast over the county by the grand jury.

It is true that Judge McKenzie, then district attorney of the county, informed the Record-Herald at one time, that we had overcharged the county for legal publications and demanded that a certain sum of money be paid to the county. Upon investigation by representatives of the paper it was ascertained that a young man by the name of E. B. Taylor, then an attaché of the district attorneys office, had measured up the matter in question and decided that the publishers had made an error in their computation of figures. Taylor admitted when interviewed that he knew nothing of measuring legal notices and did not know how he had arrived at his conclusions, but thought the figures of the publishers were wrong.

Thus the matter stood until T. D. Johnston took the office of district attorney, when he brought suit against the "Gazette" in the superior court at Martinez for the return of a certain sum of money and also brought suit against the Record-Herald in Judge Roth's court in this city to recover the sum alleged by his predecessor to be due from this paper.

And here comes the inaccuracy and injustice of the statement of the Loveridge grand jury, so far as the Record-Herald is concerned. After the suit was filed in Judge Roth's court the Record-Herald did not file an answer nor even a demurrer, and when several months had passed the suit was dismissed on motion of the district attorney. Thus it will be seen that the charge, the moral obligation still exists, is false. The county has not now and never did have a claim against the Record-Herald for an overcharge, hence it cannot be either morally or legally bound to pay something it does not owe.

Y. L. I. MEMBERS PLAN FETE FOR GUARDSMEN

An indoor fete, with Company B, Second California Infantry, as guest of honor is now being planned by members of the Y. L. I. and Y. M. I. to take place at the Richmond club on January 26. The affair will be strictly invitational. Dancing and a musical program will make the evening one continuous round of pleasure, according to the report of Miss Florence Tavalora of the committee, which includes Steve Dettow, P. F. Galligan, John Wagner, Jerry Riordan, Joe Silva, Miss Rose Kane, Mayme and Anna Grierson, Mrs. Bessie Dettow and Mrs. Mary Corcoran. Refreshments will be served.

100 GAL. MILK POURED INTO ST. FOR IMPURITIES

Because of a detrimental report received early yesterday afternoon, City Sanitary Inspector Homer G. Wyatt and City Health Commissioner C. R. Blake, last evening confiscated 100 gallons of milk consigned from Holt, Cal., to the Model Creamery of this city. The milk was said to have come from cattle having diseased udders.

Hardly had the shipment of milk been unloaded when the health authorities took charge of it, dumping the contents of each can into the streets.

No more milk will be allowed to come here from that certain Holt origin until a clean bill of health is given to it.

ALVA MITCHELL HEADS FIRST M. E. LEAGUE

Alva Mitchell, newly elected president of the Epworth league society of the First Methodist church, will preside at the first business meeting for the new year in the church parlors tonight. Other officers of the society who will be in charge of the meeting are: Miss Trannia Freeman, first vice-president; Mrs. M. Benson, second vice-president; Miss Thelma Stockwell, third vice-president; Berwyn Bradley, fourth vice-president; Glen Green, secretary; Orene Totten, treasurer; and Miss Nina Moody, organist.

TRACTION COMPANY ASKS TO TEAR UP TRACKS

The San Francisco-Oakland Terminal Railways company has filed with the Railroad Commission an application for authority to abandon for five years operation of a small portion of its line commencing at the southerly boundary of the limits of the city of Richmond and running north along San Pablo avenue across the tracks of the Atchafson, Topeka and Santa Fe Railway company. The applicant says that the conduct of this portion of its road does not yield sufficient income to warrant continuance. It wants to take up the rails and overhead construction and suspend all activities on this section for five years. Its main intent is to avoid the crossing of the Santa Fe tracks. The application says that the city of Richmond has granted this permission.

CITY'S GROWTH SHOWN IN INSPECTOR'S REPORT

Two hundred and seventy-seven building permits with a valuation of \$330,000.00 were issued by the city building inspector for the past year.

In his annual report which he will present to the city council Monday night the building inspector has itemized the city's development for 1916 as follows: 98 cottages, valued at \$132,732; 5 flat buildings with a total of 16 flats contained in them, \$29,113; 13 business buildings, \$69,399; 1 factory, \$34,359.

Exceedingly heavy was the repair of old buildings and the erection of garages for the past year, the report showing 157 permits to have been issued for this kind of work with a valuation of \$93,162.50.

RICHMOND CLUB LADIES TO OPEN YEAR MONDAY

The first meeting for 1917 of the Richmond club will be held Monday afternoon at which time the club's home economic section will be in charge of the day's program. OUR NEW TEA AND COFFEE DEPARTMENT OPENS TOMORROW

We are proud of this new department and the wonderful values we are able to offer our customers. As is the case in all other departments, "Quality and Lowest Prices" will be the watchword. We will give no coupons, no trading stamps, no premiums and will not try to make you believe that you are getting something for nothing. You will be so well satisfied with the quality and very low prices that we are certain you will be a regular patron of this department. These are special prices for Saturday.
